Yall gon' do this for time to time, so let me tell you she like this:

(Verse)

Shes so pretty but her walks so mean  
The hottest little numbers that i ever seen  
And if you seen a dime, shes that times 3  
Shes a bad girl, just what i need yeah  
She got a swagger, sharp like a dagger  
Cupid down shortly, i gotta have her  
I gotta see but she don't know  
I already seen her goods before yeahhhh

(Chorus)

I been try to get her off my mind  
Fast forward but hit rewind  
Cos i been seen her naked  
Every time, i turn around  
Im seeing her clothes come down  
Cos i been seen her naked  
No i got no cigarettes  
I cant forget, that I done seen her , I done seen her  
naked  
Im out the door  
Im just a dawg  
And I done seen her, I done seen her, I done seen her, I  
done seen her

She took it off for me, she took it off already  
I done seen her yeah yeah I done seen her already  
She took it off for me, she took it off already  
Nah I done seen it yeah yeah I done seen her jelly

(Verse)

Ooooh weee she got a body ha  
And you cant, you cant do nothing bout it  
You look her up and down  
Tryna figure out how you gon' see what i saw  
Don't even act like you surprised she has ya  
mesmerised all the guys  
She got em open

Now when you see her there, body everywhere  
You gon' see, you gon' see  
What im talkin' bout

(Chorus)  
I been tryna get her off my mind  
Fast forward but hit rewind

Cos i been seen her naked  
Every time, i turn around  
Im seeing her clothes come down  
Cos i been seen her naked  
No i got no cigarettes  
I cant forget, that I done seen her , I done seen her  
naked  
Im out the door  
Im just a dawg  
And I done seen her, I done seen her, I done seen her, I  
done seen her

She took it off for me, she took it off already  
I done seen her yeah yeah I done seen her already  
She took it off for me, she took it off already  
Nah I done seen it yeah yeah I done seen her jelly

(Chorus)  
I been tryin to get her off my mind
