When you showing me all the ways to love
damn it drives me crazy i cant get enough
so many befor never really sure but you showed me
baby

(Chours)

what it really mean to give your heart to someone
cant even lie that was something i've never done
until you came along and made me better i dont have
to look farther girl
yes it true
i dont never need nothing if i got you
just want to give me love (give it all to you)
ill tell you this i promise i know you love it when
i promise i promise i promise i
i know you love it when
i promise i promise i promise i sex love

(Chris Brown)

imma be your heart
you can read my mind
i dont understand it but i let it slide
anything you want baby ill do it
i know what real love is and girl we gonna make some
i know that im gonna be that body leaving you wanting
more
im sure
girl dont worry we dont have to hurry and ill never go
no where

(Chours)

what it really mean to give your heart to someone
cant even lie that was something i've never done
until you came along and made me better i dont have
to look farther girl
yes it true
i dont never need nothing if i got you
just want to give me love (give it all to you)
ill tell you this i promise i know you love it when
