Shawty come here  
I wanna grab your body  
Lay you on the sofa

And as I pull your hair  
I'm gonna stroke your body  
Make ya bend over, for me

And you've been waitin' patiently  
For me to break you off  
And girl your clothes still on  
But i'Ma rip'em off  
With my teeth yeah, yeah, yeah  
And girl i'Ma whisper this into your ear

How deep do you want me to go?  
Do you want me to speed it up, speed it up or go slow?  
Start from the bed  
then we out here on the floor  
Girl you're really in for a treat now  
But don't fall in love cause

We just havin' sex  
I'm gonna get you wet  
We not makin' love tonight  
Hickeys all over your neck  
Kissin' all over your body, babe  
Girl you gon' get it tonight  
When we have sex, sex, sex [4x]  
When we have sex

Lookin' at my baby  
Sleepin' like a baby  
Body so amazing  
Drive me crazy  
I'm about to wake you up  
Girl I wanna sex you up  
I know how to go about this  
Cause I gotta do somethin'  
Kissin' and the touchin'  
Ain't no rushin'  
When it comes to sexin'

Slow and easy does it  
You gon' think you dreaming  
About me licking you

Girl you can thank me in the morning  
When you wake up  
Feeling hella good  
Feeling like you want me  
I didn't realize  
How much I made you scream, yeah

We just havin' sex  
I'm gonna get you wet  
We not makin' love tonight  
Hickeys all over your neck  
Kissin' all over your body, babe  
Girl you gon' get it tonight  
When we have sex, sex, sex [4x]  
When we have sex

It's gon' be the best  
Best you ever had  
I can promise that baby  
I lay you on your back  
Then between your legs  
I can make'em spread baby

We just havin' sex  
I'm gonna get you wet  
We not makin' love tonight  
Hickeys all over your neck  
Kissin' all over your body, babe  
Girl you gon' get it tonight  
When we have sex, sex, sex [4x]  
When we have sex
