She a-ain't, she ain't you, no
She a-ain't, she ain't you, no
She a-ain't, she ain't you, no
She a-ain't, she ain't you
You make it hard for me
To see somebody else
I'm calling her your name
And yeah its messed up
'Cause I'm thinking 'bout you
It's your fault, babe
I never wanted us to break up
No, not this way
But you don't understand it
No I don't
Because when you had me
You didn't know how to treat me
You thought my love would be right here
And that's what I said
But you told me that I was the only one for you
Now look what you made me go and do
Now I'm so confused
Now you're saying
[Chorus]
I think I better let her go
I can't leave you alone
Every day that I'm with her, all I want is you
(And now that you've seen the light)
(You want me to change my mind)
(Because you're sitting here like)
She ain't you
(Whoa oh oh) Na na na na na
(Whoa oh oh) Na na na na na
(Whoa oh oh) Na na na na na
S-W-V

She ain't, no she ain't
I'm not in the toughest time
Tryna figure you out
You had a change of heart
What was that all about (all about)
She doesn't hold you down like me
She probably up in the street buying Louboutin with

your credit card
Now you're begging me to come home
When she touches me
I'm wishing that they were your hands
And when I'm with her its only 'bout the sex
With you I had a bad romance
And if I could (And if I could)
Just trade her in I would (I would)
Because nobody compares to you nooo...yeah
I think I better let her go
I can't leave you alone
Every day that I'm with her, all I want is you
(And now that you've seen the light)
(You want me to change my mind)
(Because you're sitting here like)
She ain't you
No she a-ain't, she ain't you (x8)
S-W-V
[Chorus]
I think I better let her go
I can't leave you alone
Every day that I'm with her, all I want is you
(And now that you've seen the light)
(You want me to change my mind)
(Because you're sitting here like)
She ain't you
(Whoa oh oh) Na na na na na
(Whoa oh oh) Na na na na na
(Whoa oh oh) Na na na na na
