Damn, I want my baby back
It's so cold without her
Cold without her
She's gone
Now I'm alone, no one to hold on
Cause she was the only one
And I know I was dead wrong
But if you u u
If you u u
See her sooonn
Ask her will she forgive me

If you ever see her
If you ever meet her
If you ever get a chance to sit down and talk to her
Then tell her it's so cold
It's so cold, it's so cold
Here without her
And tell her I miss her
Tell her I need her
Tell her I want her
I really want her to come back home, back to keep me
warm
Tell her I'm sorry, I'm really sorry
Can you forgive me?
Please forgive me
And come back home, keep me safe and warm

Now my baby's really gone
I don't know if she's coming home
My love's up, I fucked up
I know
Tell me what to do to get her back
Back where her heart belongs, been gone from me too
long

So if you u u, seen my boo o o
Please can you u u
Can you tell her for me

If you ever see her
If you ever meet her

If you ever get a chance to sit down and talk to her
Let her know it's so cold
It's so cold, it's so cold
Here without her
And tell her I miss her
Tell her I need her
Tell her I want her
I really want her to come back home, back to keep me
warm
Tell her I'm sorry, I'm really sorry
Can you forgive me?
Please forgive me
And come back home, keep me safe and warm

If you ever see her
If you ever meet her
If you ever get a chance to sit down and talk to her
Let her know it's so cold
It's so cold, it's so cold
Without her
