I'm finally fed up  
With the run around chase and cut  
So I hung my jersey up  
Turned in my playas card, um

They boy placed the facts  
I'm a man now done with that  
Finally learned how to act and in fact  
It's 'cause of who you are, so glad that I found you

So glad, so glad, so glad I found you  
(So glad, so glad)  
So glad baby, so glad that I found you  
So glad you made me, so glad brand new  
(So glad, so glad)  
So glad baby, I'm so glad that I found you

Hey, you caught me up  
What I started startin' me up  
When a brotha got dough got me up  
Can I be up stuck, stuck up, girl, hook me up

And not to be cliche  
(Cliche)  
But I'm the Clyde to your Boonie  
(Boonie)  
My good day, hey, just the way you do  
Makes me so damn glad that I found you

So glad, so glad, so glad I found you  
(So glad, so glad)  
So glad baby, so glad that I found you  
So glad you made me, so glad brand new  
(So glad, so glad)  
So glad baby, I'm so glad that I found you

I love the way that you care for me, honey  
I love the fact that you there for me, honey  
And I ain't goin' nowhere from you, trust me  
Now that I got you, baby

I love the way that you care for me, honey

I love the fact that you there for me, honey  
And I ain't goin' nowhere from you, trust me  
Now that I found you, baby

So glad, so glad, so glad I found you  
(So glad, so glad)  
So glad baby, so glad that I found you  
So glad you made me, so glad brand new  
(So glad, so glad)  
So glad baby, I'm so glad that I found you

So glad, so glad, so glad I found you  
(So glad, so glad)  
So glad baby, so glad that I found you  
So glad you made me, so glad brand new  
(So glad, so glad)  
So glad baby, I'm so glad that I found you
