You left me for somebody else now, you left me  
somebody else now, you left me somebody else now,  
I never saw this day come, that you will ever leave me  
Baby you told me no matter what your heart will always  
be for me  
You left me, now I'm all alone You left me  
Said you wanna be gone, You left me

I don't really like it but I got to take it down, down, down  
You left me, when you coming back  
So you never coming back yeah  
You left me, I don't believe that but right now I got to ...  
You left me for somebody else now, baby you left me,  
you left me for somebody else now, you left me , baby

...  
You make me feel you were right out here  
Yeah  
You make me believe like you really care  
Told me you were always be there but you know, you  
are not there  
You left me, now I'm all alone  
Said you wanna be gone, You left me  
I don't really like it but I got to take it down, down, down  
You left me, when you coming back  
So you never coming back yeah  
You left me, I don't believe that but right now I got to ...  
You left me for somebody else now, you left me  
somebody else now, you left me somebody else now,  
But I guess I think about you  
You left me for somebody else now, girl I wish I never  
loved you  
Because I wouldn't have ....  
You left me for some body else  
Baby you left me, you left me, baby you left me  
And now I'm all alone no passion, ..., cause cash
