Go 'head, do ya dance  
I know you see all of this money in my hand

And if you keep doin it for me  
Imma spend it all (x2)

Just got my check I'm bout to spend it on the whole club  
Half of these niggas can't pay rent after it's ova  
Two chicks me, hit bipolar  
Jamaican-Indian chicks they totem pole up

The way you move ya body girl  
Make me wanna feel ya body girl  
Girl I know you want it, ain't no change for all these  
hundreds  
I'm about to make it rain, they should change your  
name to stormy  
Girl you know my dick's enormous  
Girl I love your performance  
She said she was from New Orleans  
Tryna sting her like a hornet  
Upgrade her, that's a bonus  
Her booty that's what I'm bonin'

Go 'head, do ya dance  
I know you see all of this money in my hand

And if you keep doin it for me  
Imma spend it all (x2)

It's alright, it's ok  
Girl just keep poppin' that booty in my face

And if you keep poppin' dat booty  
Imma spend it all (x2)

Leggo, my eyes shut cuz her booty all in my face  
I touch, no computer she in myspace

Damn look at mami lose it watch her girate  
Breezy up in this bitch like a vibrate

Tor, V.I.P. with 2 of them  
Got 2 chicks use your booty for the A.T.M.

Credit cards, take off your bra have a menage  
Particular, vehicular, call me the sarge

Round booty from the A-Town  
Pull her hair, can't see nothing from the waist down  
For them dollars make her holler like "woah"  
And my transactions got them Jacksons, Michael

You corny rappers can't be serious  
Cuz deep down we know you pussy, period.  
So now it's back to getting more hoes  
You niggas lack delivery, Digiorno

Go 'head, do ya dance  
I know you see all of this money in my hand

And if you keep doin it for me  
Imma spend it all (x2)

It's alright, it's ok  
Girl just keep poppin' that booty in my face

And if you keep poppin' dat booty  
Imma spend it all (x2)

I'm feeling myself, done had a couple drinks, I start to  
feeling myself  
I start to dance up on ya feeling under your belt  
I need a tipper, when I'm dancing you put the money on  
my thighs  
Just watch me real low but Imma need a lil more if  
Imma take it all off  
Need you to dig in your pocket it's deeper  
You say you a spender, then put your money where  
your mouth is

Go 'head, do ya dance  
I know you see all of this money in my hand

And if you keep doin it for me  
Imma spend it all (x2)

It's alright, it's ok  
Girl just keep poppin' that booty in my face

And if you keep poppin' that booty  
Imma spend it all (x2)
