Chris Brown - Stuck on stupid  
Am I crazy,  
Am I foolish,  
Just a little too into you,  
that's for sure,  
o-o-o-h babe,  
but your beauty lies to me,  
makes me forget about you,  
thought you do no wrong,  
o-o-o-h-o,  
they say everybody plays the fool sometimes,  
and if I got to, I don't mind,  
I'll be the best damn fool for you, no lie,  
and girl I lose it everytime,  
there's something about you baby,  
and I swear that it drives me crazy,  
I'm stuck on you baby, stuck on you baby,  
And I might need help, cuz I can't think of nothing else,  
you've got me stuck on stupid, I'm stuck on stupid for  
you,  
o-o-h-o,  
look what you do, to me,  
It's confusing, how you do it,  
it's like you took my heart and glue it to your soul,  
yeah baby,  
and I'd do anything for you,  
ooh you know that much is true,  
God i'm so in love, I'm stupid,  
they say everybody plays the fool sometimes,  
and if I got to, I don't mind,  
I'll be the best damn fool for you, no lie,  
and girl I lose it everytime, o-o-h-o  
there's something about you baby,  
and I swear that it drives me crazy,  
I'm stuck on you baby, stuck on you baby,  
And I might need help, cuz I can't think of nothing else,  
you've got me stuck on stupid, I'm stuck on stupid for  
you,  
o-o-h-o,  
look what you do,  
And you told me to go rock climbing, to prove my love  
to you,

you know I would've die tryin,  
got everything to lose,  
I'm not trinna play it cool,  
the stupid things I do, I do it for you, o-o-h-o,

there's something about you baby,  
and this way that it drives me crazy,  
I'm stuck on you baby, stuck on you baby,  
And I might need help, cuz I can't think of nothing else,  
you've got me stuck on stupid, stuck on stupid for you,  
o-o-h-o,  
but look what you do, to me...
