(Chris)

Weak

I have been crying and crying for weeks

How'd I survive when I can barely speak

Barely eat, On my knees

(keri)

But that's the moment you came to me

I don't know what your love has done to me

Think I'm invincible

I see through the me I used to be

(chrous)

You changed my whole life

Don't know what your doing

to me with your love

I'm feeling all super human, you did this to me

A super human heart beats in me

Nothing can stop me here with you

Super human

I feel so superhuman

Super human

I feel so superhuman

(chris)

Strong

Since I've been flying and writing the wrongs

Feels almost like I've had it all along

I can see tomorrow

(keri)

Well every problem is gone because

I flew everywhere with love inside of me

It's unbelievable to see

how love can set me free

You changed my whole life (life)

Don't know what your doing

to me with your love (uh-huh)

( Chris )

I'm feeling all super human, you did this to me

A super human heart beats in me

Nothing can stop me here with you

Super human  
I feel so superhuman  
Super human  
I feel so superhuman

It's not a bird, not a plane  
It's my heart and it's going, gone away  
My only weakness is you  
Only reason is you  
Every minute with you  
I can feel like I can do anything  
I'm Going going, gone away love

You changed my whole life (oh uh)  
Don't know what your doing  
to me with your love  
(to me with your love)

I'm feeling all super human, you did this to me, yeah  
A super human heart beats in me  
Nothing can stop me here with you
