They say I'm changing Cause they all do the same thing I bet you would think I would fly away from you But I wouldn't do that Now there saying I'm crazy Cause I wanna do it my way I bet you would think I would fly away from you But I wouldn't do that

Lets take it back to the start

Let's remind you That you can't go wrong for known But they talkin' like they don't know And all of them sound the same Your so quick to judge someone But they thought of me different before Guess I'm so dumb now Guess what they say

They say I'm changing Cause they all do the same thing I bet you would think I would fly away from you But I wouldn't do that Now there saying I'm crazy Cause I wanna do it my way I bet you would think I would fly away from you But I wouldn't do that

Lets take it back to the start

So is this the find you Do you really believe what there saying? I didn't think so But they talkin' like your acting strange It's so quick to judge someone And it's really really getting old Guess I'm so dumb now They say

They say I'm changing Cause they all do the same thing I bet you would think I would fly away from you But I wouldn't do that Now there saying I'm crazy Cause I wanna do it my way I bet you would think I would fly away from you But I wouldn't do that

Lets take it back to the start

(Instrumental)

They say I'm changing Cause they all do the same thing I bet you would think I would fly away from you But I wouldn't do that Now there saying I'm crazy Cause I wanna do it my way I bet you would think I would fly away from you But I wouldn't do that

Lets take it back to the start
