hey, this is for my girls
hey, hey, hey, hey hey hey.... this is for my girls, girls,
girls, girls
Hey....hey this is for my girls
hey.....hey this is for my girls

i do the same thing, be in the party every weekend
but tonight it's just a little bit different
i love to bang bang, and all these shawtys got me
feeling
like they wanna do the same thing with me
double take, it's 2 of them looking at me
like they ready to leave
i can't explain it, cause i ain't even ready to leave
but they pressuring me
they want me to tap that, yeah
and i can feel them all over me
or maybe it's just all in my head,
but if you want it girl, i'm good for it, good for it, come
on, come on
i'm the mood, shawty you turn me on
she thought, ooh baby, ooh baby, it won't be long
a freaky invitation yeahh

i know what you're saying, i'm feeling it too
i'm not a mind reader but i can hear you thinking, hear
you thinking out loud
i can hear you thinking, hear you thinking out loud
girl i can hear you thinking, hear you thinking out loud
i can hear you thinking, hear you thinking out loud, oh
yeah

y'all must be on one,
one too many shots of henny got you hella touchy,
feely on each other
i'm bout to go dumb, and i can tell what you been
thinking
reading your bodies like close captions, loud and clear

sound so sexy to me, shawty if you agree, let's get out
of here
y'all ain't even got to say a damn thing

cause i can tell, they want me to tap that
and i can feel them all over me
or maybe it's just all in my head,
but if you want it girl, i'm good for it, good for it, come
on, come on
i'm in the mood, shawty you turn me on
she thought, ooh baby, ooh baby, it won't be long
a freaky invitation right now

i know what you're saying, i'm feeling it too
i'm not a mind reader but i can hear you thinking, hear
you thinking out loud
i can hear you thinking, hear you thinking out loud
girl i can hear you thinking, hear you thinking out loud
i can hear you thinking, hear you thinking out loud, oh
yeah

ladies, we can slip right out the back door
so we can get into some wild things
all that patron got you loose huh, loose huh
let's head back to my place, not thinking nicki but
mã©nage
you want it now and i can't play
yall gonna make me love you tonight

i know what you're saying, i'm feeling it too
i'm not a mind reader but i can hear you thinking, hear
you thinking out loud
i can hear you thinking, hear you thinking out loud
girl i can hear you thinking, hear you thinking out loud
i can hear you thinking, hear you thinking out loud, oh
