(Talking)

Yeaa...You know being from Viginia  
(haha) I gotta go back to my roots  
the whole Go-Go thang... DC whats up  
(haha) Virginia you already know how we bout to do  
Lets go...Yessir

Been sittin here for an hour talkin  
But we ain't sayin nothin  
I ain't even trippin mama thats cool  
No betta way to waste time then with you  
Ain't gotta trip cause usually I do my thing and I dip  
(ooh)  
But she got me wanna stick around for the second  
show  
Have her do her thing on this stage for me once more

And I'm like WHOA...  
I can't wait for us to be alone (tell me)  
So tell me, tell me what ya say ma  
You've been keepin it 100 up to this far  
So what ya wanna do  
I'm tryna keep it but I'm losing my cool (for you)  
Cause shorty got me throwed  
Thrown off, lil mama, she got thrown (ayy)  
Thrown off, lil mama, she got thrown (ayy)

Now I can't say all the things I wanna say  
(But your body is a problem for me)  
And I put shame on a man that walked away  
(But I'm glad he left you here for me)  
And thats real cause usually I can't express how I feel  
Its like im in my favorite scene on a movie screen  
Diamond studded Tee, Crown holdin my Spike Lee's

And I'm like WHOA...  
I can't wait for us to be alone (tell me)  
So tell me, tell me what ya say ma

Girl you got that knock, I hear it 'round the block  
And if I get a chance, Guaranteed I keep it hot  
I gotta get you locked, So baby pick ya feet up  
Adjust my two seater, Holla if you hear me now
