[Verse 1]

Pull up Pull up  
Can't believe the girls club packed  
What up What up  
Shorty wanna lead me to the back (to the back)  
Ain't been in here 15 minutes got a pocket full of digits  
and she just wont take no  
(Hold up Hold up)  
Now lil mama wanna get mad  
Slow up Slow up  
Sayin she don't wanna share what she had (she had)  
Ain't no particular one that's getting the water gun so  
many that I want

[Chorus]

They packed up in here  
Wall to wall (hey)  
I don't hear nothing but ladies calling  
I'm tryna get one of them all this  
But they keep coming from wall to wall  
They up in here  
Wall to wall (wooh yeah)  
I don't hear nothing but ladies calling (hey)  
I'm tryna get one of them, all this  
But they keep coming from wall to wall

[Verse 2]

Another 2 just came up and said they love me on the  
radio (on the radio)  
Two twins that's a cool lil scenario (lil scenario)  
They talk 'bout leaving right now  
Wanna put in some time cause you know what they  
already 'bout  
(One talking)  
How she like the way that I rock

(And the other one)  
How she wanna just watch (just watch)  
I'm game for any damn thing  
But there's more than 200 dames  
That's ready to go

[Chorus] x2

They packed up in here  
Wall to wall (hey)  
I don't hear nothing but ladies calling (ladies callin)  
I'm tryna get one of them ballers  
But they keep coming from wall to wall  
They up in here (woo wooh)  
Wall to wall (ooh yeah)  
I don't hear nothing but ladies calling  
I'm tryna get one of them ballers  
But they keep coming from wall to wall  
They up in here wall to wall ( I can't believe there's so  
many of getting at me)  
I don't here nothing but ladies calling  
I'm tryna get one of them ballers  
But they keep coming from wall to wall (ay, ay, ay,

They up in here wall to wall  
I don't here nothing but ladies calling (it's so many  
ladies in here)  
I'm tryna get one of them, ballers  
But they keep coming from wall to wall

[Breakdown]

So many look good in here (so good)  
I just don't know which one I want (I want)  
If I had to choose y'all know (you know)  
I would take all y'all with me  
Who wanna try me on the floor  
Who ready to come and get this (get this)  
All I know is that I'm feeling this party  
And you can see I'm so pretty

[Chorus]

They packed up in here wall to wall (ow)
