Let's,
Mr.Worldwide,(worldwide)
Take over,
Yeah,kay,
Yah.
Jim Jonson, Globe, (globe)
Let's take over the globe.

Chris Brown
Where do we go from here?
Where,tell me please?
Where do we go from here?

Where do we go from here?
I want the whole world to show
Where do we go?
Where do we go?
Where do we go?
If I don't wanna do it alone.
I won't do it today.

Pitbull
yeah,and you won't tell
me the skays the limit, (the sky's the limit)
When ther's footprints on the moon,(the moon)
I don't need a TV show to dance
with the stars.

Not me , I'm good (I'm good)
Half of the world don't lie,
(don't lie)
Half of the world wanna be,
(wanna be)
But people deny that pretty
little thing they call Earth,
needs me.

But the rest of the world
wanna dance and make
something from nothing,

Yeah, but so? (so?)
The rest of the world wanna
either do good business,
Have glue without flow,

I'm here to show the world
that money don't buy
happiness,
Believe me, I know.(I know)
But just one thing,
Wanna show the world,
I just wanna know.

Chris Brown
Where do we go from here?
Somebody, please let me know.
Where do we go from here?

Chris Brown
Where do we go from here?
Somebody, please let me know.
Where do we go from here?
I want th whole world to show,

Where do we go?
Where do we go?
Where do we go?

If I don't wanna do
it alone,
I won't do it today.

Pitbull
As the sun both fades and it
gets bigger,
And the more countries in the
world like Hitler,

Pitbull
As the sun both fades and it
gets bigger,
And the more countries in the
world like Hitler,
Demand the bomb, double 0,3,0,
fly,
AKA Mr.Worldwide.
Don't be silly,

I've had it on longer, that's
fo'sho
And i've already changed my city,

Now I'm on my way to change the globe, (globe)

I've had it on longer, that's fo'sho
and I've already changed my city,
Now I'm on my way to change the globe, (globe)
I'm trying to inspire the world to show
What you did when you hustle in your work,

Show'em what it is,
To put your life on the line
for the love of the crime,
Life is a rhyme with no reason,
And that's the reason I rhyme,
But once I show the globe,
I just wanna know.

Chris Brown
Where do we go from here?
Where, tell me please?
Where do we go from here?

I wonder where to, tell me please.
Where do we go from here?
Somebody, please let me know

Where do we go from here?
I want the whole world to show,
Where do we go?
Where do we go?
Where do we go?
If I don't wanna do it alone,
I won't do it today.
