Hold up, hold up
What you sayin'™ babe?
I Heard that your love™ s only a mile away
Movin'™ slow, why am I wide awake?
All of this pain I™ m tryin'™ to take away
Don'™ t bother me
Don'™ t even bother calling
Drinking tonight
I™ m an alcoholic
Now I™ m trying something new tonight,
Where the fuck is my lighter?
I™ m tired of all this shit
I want a lighter
Throw my drink in the fire
Just let me pass out,
I just wanna escape,
Turn the light s off,
I wanna black out,
We are not one and the same
So where the fuck is my lighter?
I™ mma take off while I can
While I™ m running with the flame
In the night time, I™ mma come alive
When I™ m seeing a crazy face
But none of 'em look the same
I™ mma let go
Just wanna let go
I hear what you'™ re sayin'™
Got a liquor plan
Killin'™ my brain is suicide
Veins burning up
It feels like I™ m gonna die
I™ ll take two shots
Fuck it if you watching
Give me the bottle
I™ mma down it
I™ mma run off with the Swisher
Where the fuck is my lighter?
I™ m tired of all this shit
I want a lighter
Throw my drink in the fire
Just let me pass out,

I just wanna escape,
Turn the light s off,
I wanna black out,
We are not one and the same
So where the fuck is my lighter?
