[Noah] [Spoken]

Which one you gon get, man?  
I know right? it's so many to choose from.  
Believe that.  
Chris Brown. Noah.

[Rapped]

Ima make it rain like sprinkle sprinkle  
That boy chevy go twinkle twinkle  
Hop out like a G say please to meet you  
Can we alope and go smoke some with these fools  
Its the N-O-Ahh  
Baby kiss me hug me the music man girls love it  
So which one of yall gon set some crystall  
If you aint old enough then holla at Chris Brown

[Chris Brown]

Everyone of yall look alike  
Wanna do something freaky tonight  
Tell your man you aint feelin the same  
You wanna be free  
Free to mingle tonight  
If I could would take all of you  
To a place where we all could do  
Sumthin that ya mamma wouldn't approve  
Make ya get down show me what's good  
Let me see how they do it your hood

[Hook] x2

Which one of yall  
Wonder which one yall  
Which which one of yall tryna be next  
Which one of yall  
Which which one of yall  
Which one of yall taking that off for me

Tell me come and come walk for me  
Let me see keep on tellin me

Bout the thing i just had to know  
Baby what's ya name  
Or do you wanna play tonight  
Or do you like to be  
Talk to like you do with me  
Girl I already know  
Baby wats yur thang  
If you want we can get it tonight

[Hook]x2

[Noah]

You can count on me or CB to please ya  
Fly you to Italy for pizza pizza  
Back to America live with lesiure  
G 4 Cash Boy you don't need ya Visa  
Cuz you my candy girl  
My now and later  
Just bring ya purse and what ya mamma gave ya  
Baby im a player but the balls in ya court  
Now let me strip till ya in ya bras and boy shorts  
Written in my teeth like i need a pack of gum  
Apple bottoms got you lookin like Baunita AppleBum  
Im from dekata baby tell me where you from  
Come come whisper in ya ear let me tell you some  
The way ya booty hop i think a rabbit in ya pants  
We can travel to Japan then Africa to France  
I can have it in ya plans if you tell me in advance  
So baby use your brain and use advantage at your  
chance

[Hook]
