Now every girl I been with
(Been with)
I see you, baby, it just ain't the same
(No no, no no, no no)

Recently I had a girl and her name was Nikki
But she left me 'cause I called her your name
(No no, no no)
And I been on that rebound tip

I can't believe it, you got me feelin' like this
And every other morning it's your face that I miss
Man, your boy's sick 'cause shawty was it then
And I was on that bull when I was with you

You, you, you
(You, you, you)
You, you, you, you
(You, you, you, you)
Girl, when I was with you

You, you, you
(You, you, you)
You, you, you, you
(You, you, you, you)
Girl, with you

You, you, you
(You, you, you)
You, you, you, you
(You, you, you, you)
Girl, when I was with you

You, you, you
(You, you, you)
You, you, you, you
(You, you, you, you)
Ooh

And every other phone call
It's one on one of my dogs
Man, I just seen Keyshia and Nikki

And I'm up in the mall

So what did she have on?

Gucci jeans, baby-tee, Air-Force 1's, Hair all done
(Damn)

Man, please don't tell me no more

Man, my heart is so sore

I wanna reclaim her but she'll never get over

What I put you through

And there's nothin' that I wouldn't do

Man, my momma loved you

It's my fault I wasn't true

But I was on that shit

When I was with you

You, you, you

(You, you, you)

You, you, you, you

(You, you, you, you)

I was on that ssh when I was with you

You, you, you

(You, you, you)

You, you, you, you

(You, you, you, you)

Your girls was trippin' 'cause I was with you

You, you, you

(You, you, you)

You, you, you, you

(You, you, you, you)
