Shawty fine, walkin by, make a nigga look.
See the way she toot it up, got a nigga stuck.
Zooted & booted up, shuttin down the club.
Look at shawty's hip, once she winds it up.
Now rewind that back, put it in reverse baby I like that.
Cant nobody do it better, let chu do your thing while I
sip this amaretto

I love the way you wind sloww, oh oh girl, girl when you
crawl up on the thing
Make it touch the floor, oh oh girl, girl just keep on
winding.
Girl when you back it up
Here a real bad man, wanna see you back it up
Wave your hands in the air see ya clap it up come and
yo-you work. Aye young girl with the tied up skirt.
The way you move ya body make me wanna hit it,
I know you classy but you can still act a hoe wit it,
It aint no question bout it, shawty you can get it,
The only question is, Can you work with it? Can you
work with it? Can you work with it? Can you work with it?
Can you work with it? Can you twirk with it? Can you
work with it? Can you work with it? uh huh

Throw it back at me, ima make a home run,
Swingin my bat like my name A. Rod,
Ima have you screamin out Oh My God, When I find yo
spot yeah,

And ima have you runnin form this D,
Like a crook runnin from the police,
But Im gonna getcha, goin downtown let me read you
on my radar.

I love the way you wind sloww, oh oh girl, girl when you
crawl up on the thing
Make it touch the floor, oh oh girl, girl just keep on
winding.
Girl when you back it up
Here a real bad man, wanna see you back it up
Wave your hands in the air see ya clap it up come and
yo-you work. Aye young girl with the tied up skirt.

The way you move ya body make me wanna hit it,
I know you classy but you can still act a hoe wit it,
It aint no question bout it, shawty you can get it,
The only question is, Can you work with it? Can you
work with it? Can you work with it? Can you work with it?
Can you work with it? Can you twirk with it? Can you
work with it? Can you work with it? uh huh

I love the way you wind sloww, oh oh girl, girl when you
crawl up on the thing
Make it touch the floor, oh oh girl, girl just keep on
winding.
Girl when you back it up
Here a real bad man, wanna see you back it up
Wave your hands in the air see ya clap it up come and
yo-you work. Aye young girl with the tied up skirt.
