Oh, oh  
Oh, oh  
Let me see your hands  
Oh, oh  
Oh, woh, oh, oh  
Oh, oh, oh  
Tonight is the night

You know me[?]  
I can't believe  
You're so beautiful  
It feels like I'm in a dream  
Baby, we're going somewhere  
You've never been before  
So take my hand and come with me

Girl,  
Don't feel out of place  
Cause I-  
I'm in love with this feeling  
And[?] I-  
I-I-I  
Hope that this will last a while  
We should make it last a while

You like a drink, drink  
So do we, yeah  
Get my bottles  
Bring 'em to me (bring 'em to me)  
Hold your glasses there  
People everywhere  
Now everybody, put your hands in the air

Yeah, yeah, yeah  
Girl, I wanna-  
Yeah, yeah, yeah  
I wanna see you tonight  
Yeah, yeah, yeah  
Girl, I gotta- (I gotta, I gotta)  
Yeah, yeah, yeah  
I want to see you tonight (tonight is the night)

Oh, oh  
Oh, woh, oh, oh  
Yeah  
Oh, oh  
Let me see your hands  
Oh, oh  
Oh, woh, oh, oh  
Dance, dance, dance  
Oh, oh, oh  
Tonight (tonight is the night)

Y'all[?] bringing your things to the party  
Let me see your hands up  
Anything bad, and you don't want to party  
Tell 'em shut the \*\*\*\* up[...]  
So, DJ turn it loud  
And watch me turn it up  
Don't worry about it  
We're here to party  
So, jump, jump, jump, jump

Girl, I want to-  
I want to see you tonight  
Girl, I gotta- (I gotta, I gotta)  
I gotta see you tonight

Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Tonight is the night
