Whoa...
Do do do do do do
Ya-eh
Yeah

[Verse 1:]

Yo...

Tell me fellas have you seen her? (Seen her)
It was about five minutes ago
When I seen dis hottest chick
That no you'in boy's
Ever seen before

I said yo
Tell her girls I want to meet her (meet her)
On a second thought that ain't the way to go
I gotta give her game proper
Spit it so she'll get it
There she is I got to stop her
Or should I talk about her smile (its been said before)
Or what about her style (too obvious)
I'm outta time, she's out the door
I gotta go for mine

[Chous]

I think I'll say
Yo
I don't know your name but excuse me miss
I saw you from across the room
And I got to admit that you got my attention
You're making me wanna say yo

I know you're trying to leave but excuse me miss
I saved the last dance for you
How I love to keep you here with me oh baby

[Verse 2:]

Now shorty grab hold of my hand
And let's pretend the floor is ours
You say you don't really dance

Don't worry about it
We'll just 1, 2 step
1, 2 step

Now if the music is moving too fast
Grab my hand a little tighter
Don't afraid to move a little closer

Girl, there's something about you that makes me want
to say

[Chorus]

Yo
I don't know your name but excuse me miss
I saw you from across the room

And I got to admit that you got my attention
You're making me wanna say yo

I know you're trying to leave but excuse me miss
I saved the last dance for you
How I love to keep you here with me oh baby

[Chorus]

I think I'll say
Yo
I don't know your name but excuse me miss
I saw you from across the room

And I got to admit that you got my
Attention
You're making me wanna say yo

I know you're trying to leave but
Excuse me miss
I saved the last dance for you
How I love to keep you here with me oh
Baby

[Breakdown:]

I want to be where you are
Ain't nothing wrong with dancing

Baby is so romantic
Baby I can be in your heart

So many things I want to tell you
I think that I should start by saying Yo...

I don't know your name but excuse me miss

I saw you from across the room

I got to give her game proper
Spit it so she get it
There she is- I gotta stop her

I know your trying to leave but excuse me miss
I saved the last dance for you
How I love to keep you here with me oh baby

[Rap:]
Everybody just clap your hands like this, like this
Just clap your hands like this, (whoa) like this

And if your shorty's in the house tonight
Just grab her by the hand homie
Make her understand y'all was made to dance like this
(like this)

Y'all was made to bounce like this (whoa like this)

Just let her know she was made for you.

And you want to do everything she want to man.

[Laughs]

Whoo!
