And I know your man ain't been treating you right  
but....your man ain't me

Girl, I bet that he be actin' all cocky like

Like he deserve you, and you so lucky to be with him

Bet he be treatin' you rude always got an attitude

Like he's the only dude made for you, woah

[Pre-Chorus:]

But I bet he didn't count on, no nigga like me comin'

(Giving you things to think about cause I know whats

Since he ain't tryna step it up, don't you think you  
should give him up?

(Cause he ain't worth your love)

[Chorus:]

Stop trippin,

I know you got a man but girl he's slippin
