Baby I don't like to say goodbye
So this is mine until next time
I see you
Cause I don't wanna leave you
I just kiss you one last time
To leave an imprint on your mind, girl
Just for right now
To making you hold out
Remember
Girl we can be
And no matter where you are
You're always in my heart

[Chorus]
Baby don't need
Baby just stay right here
Cause I
So you don't have to leave my side
You've got me open.
Don't leave
Baby just stay right here
Even if the world goes back
We'll remember a last time
Together

I could buy a thousand tease
Is it you are finishing this love
So I say why you giving up on us
I love you forever I promise
What you mean forever
So baby don't you come
Girl remember
Remember
Girl we can be
And no matter where you are
You're always in my heart

[Chorus]

Don't leave
Shawty don't leave

Don't leave me
Don't leave
Shawty don't leave
Don't leave me

[Chorus]
