Whoa whoa  
Do do do do do  
Yeah  
Yeah

Yo,  
Tell me fellas have you seen her? (Seen her)  
It was about five minutes ago  
When I seen the hottest chick  
That a young'n  
Never seen before

I said Yo,  
Tell her girls I want to meet her (meet her)  
On second thought that ain't the way to go  
I got to give her game proper  
Spit it so she'll get it  
There she is I got to stop her

Or should I talk about her smile? (It's been said before)  
Or what about her style? (Too obvious)  
I'm out of time  
She's out the door  
I got to go for mine

I think I'll say

Yo  
I don't know your name but excuse me miss  
I saw you from across the room

And I got to admit that you got my attention  
You're making me want to say yo

I know you're trying to leave but excuse me miss  
I saved the last dance for you  
How I look to keep you here with me oh baby

Now shorty grab hold of my hand  
And let's pretend the flow is ours  
You say you don't really dance

Don't worry about it  
We'll just one, two, step  
One, two, step

Now if the music is moving too fast  
Grab my hand a little tighter  
Don't be afraid to move a little closer

Girl, there is something about you that makes me want  
to say

Yo  
I don't know your name but excuse me miss  
I saw you from across the room  
Yo  
I don't know your name but excuse me miss  
I saw you from across the room

And I got to admit that you got my attention  
You're making me want to say yo

I know you're trying to leave but excuse me miss  
I saved the last dance for you  
How I look to keep you here with me oh baby

Breakdown  
I want to be where you are,  
Ain't nothing wrong with dancing.

Baby it's so romantic.

Baby I can be in your heart.

So many things I want to tell you,  
I think that I should start by saying "Yo."

I don't know your name but excuse me miss  
I saw you from across the room

I got to give her game proper,  
Ppit it so she get it,  
There she is - I got to stop her.

I know you're trying to leave but excuse me miss  
I saved the last dance for you  
How I look to keep you here with me oh baby.

Spoken  
Now everybody just clap your hands like this (like this),  
Just clap your hands like this (whooh like this).

And if your shorty is in the house tonight,  
Just grab her by the hand homie,  
Make her understand y'all was made to dance like this  
(like this).

Y'all was made to bounce like this (whoa like this).

Just let her know she was made for you,  
And you want to do everything she want to man.

Laughs

Whoo!
