brave x 14
im not afraid to cry or bleed,
my heart is on my sleeve ?
you make me feel, like im a queen
your arms, protecting me.
so even if im lost and the enemies around me,
i wont shed a tear, cause you never let them harm me,
ohh oh ohh oh
cause your something like a hero,
when your around, i can go against the world
i feel like jumping off the deep end with my eyes
closed,
i'd never go back to shaking again no,
and because of you, i feel so brave, brave, brave
woahh woahhh woahhh
i feel so brave, brave, brave
woah woah woahh
a lions heart,
a work of art,
we are, the defiant love,
when we're apart,
you send me (?) and allow me to stand up tall, and be
the fighter i am,
so even if i dive, and the sharks are all around me,
i wont shed a tear, cause you'd never let them drown
me, nooo
cause your something like my hero, when im with you, i
can face the world,
i feel like jumping off the deep end with my eyes
closed,
i'd never go back to shaking again no,
and because of you, i feel so brave, brave, brave
woahh woahhh woahhh
i feel so brave, brave, brave
woah woah woahh
i feel so brave, brave, brave
i feel so brave, brave, brave
i feel like jumping off the deep end with my eyes
closed,
i'd never go back to shaking again no,
and because of you, i feel so brave, brave, brave
woahh woahhh woahhh

i feel so brave, brave, brave
woah woah waohh
so brave,
bei maejor,
juke bos, juke box, juke box.
