Facing ice in the wind  
Brace yourself for the fall  
Neon lights, all colours will bleed  
Gotta fight for it all

In the circle we dance to be free  
Wait relentlessly, please let me be  
Music protects me in tonight  
Rise to the call

[X2]  
Whoa oh whoa  
Whoa oh whoa  
Whoa oh whoa  
Now my back's to the wall

Endless nights, they begin  
Side by side, see them fall  
Takes your mind on a mystical spin  
Full of life curtain calls

In the moonlight we dance to be free  
Feel the power unleashed deep in me  
Open my heart and my mind  
Words to thrall

[X2]  
Whoa oh whoa  
Whoa oh whoa  
Whoa oh whoa  
Now my back's to the wall

[Solo]

Did you really think  
Like the yolk, you wont fall?  
In this bottomless pit  
Your back's to the wall  
Carry on  
Question fate  
Might  
Must survive

Back's to the wall  
Heal my soul  
Take my hand  
Stop my pain

[Solo]

In the circle we dance to be free  
Wait relentlessly, please let me be  
Music protects me in life  
Safe from the fall

[X4]

Whoa oh whoa  
Whoa oh whoa  
Whoa oh whoa  
Now my back's to the wall

[Solos]
