Well everytime that I come home nobody wants to let
me be
It seems that all the friends I got just got to come
interrogate me
Well, I appreciate your feelings and I don't want to pass
you by
But I don't ask you about your business, don't ask me
about mine

Well it's true I love the money and I love my brand new
car
I like drinkin' the best of whiskey and playing in a honky
tonk bar
But when I come off the road, well I just got to have my
time
'Cause I got to find a break in this action, else I'm
gonna lose my mind

(Chorus)
So, don't ask me no questions
And I won't tell you no lies
So, don't ask me about my business
And I won't tell you goodbye

Well, "what's your favorite color and do you dig the
brothers," is drivin' me
Up a wall
And everytime I think I can sleep, some fool has got to
call
Well don't you think that when I come home, I want a
little peace of mind
If you want to talk about the business buddy, you're just
wastin' time

(Chorus)

Yeah don't ask me stupid questions and I won't send
you away
If you wanna talk some fishin, well I guess that'll be OK
