In the storm of roses  
A great fire arises  
Illuminates the night in thorns  
A fallen love is haunting  
Rising from the sand  
Eloquent, evil  
And demand

We waited nightly  
Mid-day dreaming  
In my madness  
Illusion scheming  
Blackened suns  
Of ages locked  
Inside the laughter madmen flee  
From the house of insanity

In the dead of sun walk  
A winter storm of thunder  
Of cold deceit  
Please let me be  
Now the night is falling  
On his  
Alas, the child is a man

We waited nightly  
Mid-day dreaming  
In my madness  
Illusion scheming  
Blackened suns  
Of ages locked  
Inside the laughter  
Madmen flee  
From the house of insanity

[Solos]

We waited nightly  
Mid-day dreaming  
In my madness  
Illusion scheming  
Blackened suns

Of ages locked  
Inside the laughter  
Madmen flee  
From the house of insanity
