[Solo]

Lie four aces ahead of you  
Show the cards  
Dealer call them out too  
Face of the King to  
The right of the Ace  
Joker is crying  
It's all a disgrace  
Ah yeah

Continue the deal  
Til your deck is used up  
Loaded and losing  
Face down on your luck

Hearts on fire  
Spades admire  
Make life an adventure  
For the devil may care  
If it's whether you  
Win and I lose  
Good luck with your millions  
I'll play solitaire  
I'll play solitaire

[Solo]

Fifty two the pawn  
He never rests  
King of kings  
The devil placed his bets  
There's something up his sleeve  
Ace of spades, he deals again  
Jack of clubs, he bleeds

Hearts on fire  
Spades admire  
Make life an adventure  
For the devil may care  
If it's whether you  
Win and I lose

Good luck with your millions  
I'll play solitaire  
I'll play solitaire  
I'll play solitaire

Hearts on fire  
Spades admire  
Make life an adventure  
For the devil may care  
If it's whether you

Good luck with your millions  
I'll play solitaire  
I'll play solitaire  
I'll play solitaire
