Come out running
Without a care
No, you don't got to mess with your hair, it looks fine
At least in my mind
Oh, no one's going to give a damn
It's only eight o'clock in the morning on the weekend

Oh, come roll on out of bed
And play with me
Get out of my head oh yeah
We've got the whole day to play now

Chorus:
On a high
Come give your consciousness to me
On a high
Yes, like a kite
And I'm not going to ask you to ask me twice
Come with me, on a high
And if you wanna get on top I won't mind
If you wanna fly with me
Just try with me
Don't be shy with me
Baby please
On a high

Oh look at you
Giving me competition
Or at least a petition to please
Slow down
Just look around us
Oh how it's beautiful
It's so magical
To watch the dew drop
For hours and hours
Before hours of sunlight
Before you know it
9AM and we've got the whole day to play with each
other

(Chorus)

Don't slip away
Don't slip away
Don't slip away (Come give your consciousness)
Don't slip away

(Chorus)
