I've got your picture hanging on the wall  
But it can't see or come to me  
When I call your name  
I know it's just a picture in a frame

[CHORUS]

Ain't nothing like the real thing, baby  
Ain't nothing like the real thing  
Ain't nothing like the real thing, baby  
Ain't nothing like the real thing

I've got your picture hanging on the wall  
But it can't see or come to me  
When I call your name  
I know it's just a picture in a frame

I read your letters when you're not near  
But they don't move me  
They don't touch me like when I hear  
Your sweet voice whispering in my ear

[Repeat CHORUS]

I play the game of fantasy  
I pretend that I'm not in reality  
The shelter of your arms will comfort me

I've got some memories to look back on  
Though they help when you phone  
I'm well aware nothing can  
Take the place of you being there

[Repeat CHORUS]

I will go where you lead  
Always there in time of need  
And when I lose my will  
You'll be there to push me up the hill

You're all, you're all I need  
You're all, you're all I need  
You're all, you're all I need

[Repeat CHORUS 3x to fade]
