So you've lost your will to live
Seems you're down to your last friend
And the weight of the world keeps trying to pull you in

Chorus:

Don't give up. Don't give in. Give it all to Him.
'Cause He cares so much more than you know
When it seems who you really want to be
Is someone you'll never become
Just look how far you've come

Though you failed at plans you've made
Don't forget all the steps you've made
He has brought you this far
He can take you the rest of the way

Chorus:

Don't give up. Don't give in. Give it all to Him.
'Cause He cares so much more than you know
When it seems who you really want to be
Is someone you'll never become
Just look how far you've come

I know it's not always easy
(How far you've come)
But don't you throw it all away
(How far you've come)
I know that He will take care of you everyday

Chorus:

Don't give up. Don't give in. Give it all to Him.
'Cause He cares so much more than you know
When it seems who you really want to be
Is someone you'll never become
Just look how far you've come
