That's right  
We all get left behind  
That's just a fact  
Maybe that's why people have guns  
Won't help though  
Just a fact

(Verse)

Jesse was a good girl  
Went to a good school  
Her daddy's little pride and joy  
Up until she reached twelve  
She never rebelled  
And then she went and met a boy  
Now he was never good for her  
About six years older  
Parents thought it was a phase  
(Can't make out this line)  
By the time that they tried  
It was just too late

(Chorus)

Better off giving up  
Did not change enough  
Nothing but trouble  
Flowing in the blood  
Just won't stay away  
Addicted to the pain  
Would do anything to touch the flame

She was a lost cause  
She was just too far gone (gone)  
Now there's no turning back our  
Little black sheep gone wrong (wrong), wrong (wrong),  
wrong

She was a lost cause  
She was just too far gone (gone)  
Now there's no turning back our  
Little black sheep gone wrong (wrong), wrong (wrong),

wrong

(Verse 2)

Now by the age of sixteen  
Couldn't tell her a thing  
Cause Jesse seemed to know it all  
She was helpin her boyfriend  
Cook up some methodrone  
And got in in trouble with the law  
Now, now everybody knew  
That she wasn't that bad  
But it was either her or him

They set her up and she lied  
The judge gave her three to five  
And Jesse ended up inside

(Chorus)

Better off giving up  
Did not change enough  
Nothing but trouble  
Flowing in the blood  
Just won't stay away  
Addicted to the pain  
Would do anything to touch the flame

She was a lost cause  
She was just too far gone (gone)  
Now there's no turning back our  
Little black sheep gone wrong (wrong), wrong (wrong),  
wrong

She was a lost cause  
She was just too far gone (gone)  
Now there's no turning back our  
Little black sheep gone wrong (wrong), wrong (wrong),  
wrong

(Bridge?)

Daddy's girl done gone the wrong way  
And there ain't nothing you can do to change it  
Daddy's girl done gone the wrong way  
And there ain't nothing you can do to change it

(Chorus)

Better off giving up  
Did not change enough

Nothing but trouble  
Flowing in the blood  
Just won't stay away  
Addicted to the pain  
Would do anything to touch the flame

She was a lost cause  
She was just too far gone (gone)  
Now there's no turning back our  
Little black sheep gone wrong (wrong), wrong (wrong),  
wrong

She was a lost cause [Daddy's girl done gone the  
wrong way]  
She was just too far gone (gone)  
Now there's no turning back our [And there ain't  
nothing you can do to change it]  
Little black sheep gone wrong (wrong), wrong (wrong),  
wrong
