Before you landed, I had a will but didn't know what it could do

You were abandoned, and still you're handing out what you don't wanna lose

You make me drop things, like all the plans I had for a life without you

Someone to die for
someone to fall into when the world goes dark
Someone to die for
someone to tear a hole in this endless night
Someone like you

I'm drunk when sober, the room is spinning - you are what I hold onto

You're taking over, I find that giving in is the best I can do

Someone to die for
someone to fall into when the world goes dark
Someone to die for
someone to tear a hole in this endless night
Someone like you

Someone to die for
Someone to die for
Someone to die
Someone, someone, someone
Someone to die for
someone to fall into when the world goes dark
Someone to die for
someone to tear a hole in this endless night
Someone, someone like you
