Dark as roses
And fine as sand
I feel your healing
In your sting again

I hear you laughing
And my soul is saved
On forgotten graves
You cry

Crawl like ivy
Up my spine
Through my nerves
And into my eyes

Cuts like anguish
Or recollections
Of better days gone by
But it's all right

When you're all in pain
And you feel the rain come down
Oh, it's all right

When you find your way
Then you see it disappear
Oh, it's all right

Though your garden's gray
I know all your graces
Someday will flower
Oh, ooh, whoa
Oh, ooh, whoa
In the sweet sun shower
In the sweet sun shower

Eyes like oceans
So far away
A feather trail
To a better way

Worried mornings turn

Into days
Then into worried nights
But it's all right

When you're all in pain
And you feel the rain come down
Oh it's all right

When you find your way
Then you see it disappear
It's all right

Though your garden's gray
I know all your graces
Someday will flower
Oh, ooh, whoa
Oh, ooh, whoa
Sweet sun shower

Oh, in a sweet sun shower

Oooh, oh, whoa

In a sweet sun shower

In a sweet
Sweet
Sweet
Sun shower
Oh, oh, oh

I know all your graces
Some day will flower
In a sweet
In a sweet sun shower

It's all right
All you'll be you are today
Are today

It's all right
All you'll be you are today
Are today
Are today
Are today
Are today
Are today...
