Wake up, oh

Watch out

She keep on going when the light turns red

Watch out

3 in the morning, she ain't ever going to bed

Watch out

She's going 90 in the residential zone

Watch out

She's speeding while she put her make up on

(N-n-now)

Pick it up, pick it up, watch out, now pick it up

Pick it up, pick it up, watch out, now pick it up

Pick it up, pick it up, watch out, now pick it up

Pick it up, pick it up, watch out, now pick it up

(Pick it up)

Pick it up, watch out, now pick it up

(Pick it up)

Pick it up, watch out, now pick it up

(Pick it up)

Pick it up, watch out, now pick it up

(Pick it up)

Pick it up, watch out, now pick it up

Watch out

She's driving crazy like the roads on fire

Watch out

Killing the motor and she's smoking up the tires

Hey, hey, watch out

She hit the corners with her foot on the floor

Watch out

She likes the Lincoln with the sui, suicide doors

(N-n-now)

Pick it up, pick it up, watch out, now pick it up

Pick it up, pick it up, watch out, now pick it up

Pick it up, pick it up, watch out, now pick it up

Pick it up, pick it up, watch out, now pick it up

(Pick it up)
Pick it up, watch out, now pick it up
(Pick it up)
Pick it up, watch out, now pick it up
(Pick it up)
Pick it up, watch out, now pick it up
(Pick it up)
Pick it up, watch out, now pick it up

Watch out, pick it up

Watch out
She's in the mirror but she coming on quick
Watch out
She's gonna catch you then she leave you to the wind

Watch out
She passing fools like they're going in reverse
Watch out
She's gone insane, I think her brakes don't work

(N-n-now)
Pick it up, pick it up, watch out, now pick it up
Pick it up, pick it up, watch out, now pick it up
Pick it up, pick it up, watch out, now pick it up
Pick it up, pick it up, watch out, now pick it up

(Pick it up)
Pick it up, watch out, now pick it up
(Pick it up)
Pick it up, watch out, now pick it up
(Pick it up)
Pick it up, watch out, now pick it up
(Pick it up)
Pick it up, watch out, now pick it up
