When I was born the world tried to keep me down  
all the way, all the way, all the way  
before I could even walk

When I could stand the back hand swung at me  
all the way, all the way, all the way  
until I could fight it off

Oh No  
What do you want from me? What do you want from  
me?  
Just can't leave it alone  
Oh No  
Why do you follow me? Why do you follow me?  
Can't seem to let it go!

It's not the way you wanted  
It's not the way it goes  
It's not the way (you saw it)?  
knock me down I get back on the road

Young in the sun  
My feet (front?) as I go  
all the way, all the way, all the way  
Still got along way to go

Home in the sand the grown man battling  
all the way, all the way, all the way  
Nothings gonna make me (slow)?

Oh No  
What do you want from me? What do you want from  
me?  
Just can't leave it alone  
Oh No  
Why do you follow me? Why do you follow me?  
Can't seem to let it go!
