

Beirut "A Sunday Smile"

All I want is the best for our lives my dear,
and you know my wishes are sincere
Whats to say for the days I cannot bare

A Sunday smile, you wore it for a while
A Sunday mile, we paused and sang
A Sunday smile, you wore it for a while
A Sunday mile, we paused and sang
A Sunday smile, and we felt true

We burned to the ground, left a view to admire

With buildings inside, church of white
We burned to the ground, left a grave to admire
And as we reach for the sky, reach the church of white

A Sunday smile, you wore it for a while
A Sunday mile, we paused and sang
A Sunday smile, you wore it for a while
A Sunday mile, we paused and sang
A Sunday smile, and we felt true
