To really love a woman
To understand her - you gotta know her deep inside
Hear every thought - see every dream
N' give her wings - when she wants to fly
Then when you find yourself lyin' helpless in her arms
Ya know ya really love a woman

When you love a woman you tell her
that she's really wanted
When you love a woman you tell her that she's the one
Cuz she needs somebody to tell her
that it's gonna last forever
So tell me have you ever really
- really really ever loved a woman?

To really love a woman
Let her hold you -
til ya know how she needs to be touched
You've gotta breathe her - really taste her
Til you can feel her in your blood
N' when you can see your unborn children in her eyes
Ya know ya really love a woman

When you love a woman
you tell her that she's really wanted
When you love a woman you tell her that she's the one
Cuz she needs somebody to tell her
that you'll always be together
So tell me have you ever really -
really really ever loved a woman?

You got to give her some faith - hold her tight
A little tenderness - gotta treat her right
She will be there for you, takin' good care of you
Ya really gotta love your woman...
