Will you listen to my story
It'll just be a minute
How can I explain
Whatever happened here never meant to hurt you
How can I cause you so much pain
When I say I'm sorry
Will you believe me
Listen to my story
Say you won't leave me
When I say I'm sorry
Can you forgive me
When I say I will always be there
Will you believe, will you believe in me
All the words that I come up with
They're like gasoline on flames
There's no excuse, no explanation
Believe me if I could undo what I did wrong
I'd give away all that I own
To spend one more second with you in my arms
When I say I'm sorry
Will you believe me
Listen to my story
Say you won't leave me
When I say I'm sorry
Can you forgive me
When I say I will always be there

Will you believe
If I told you I've been cleanin' my soul
And If I promise you I'll regain control
Will you open your door
And let me in take me for who I am
And not for who I've been, who I've been
When I say I'm sorry
Will you believe me
Listen to my story
Say you won't leave me
When I say I'm sorry
Can your forgive me
When I say I will always be there
Will you believe me
When I say I'm sorry

When I say I'm sorry
When I say I'm sorry
When I say I'm sorry
When I say I'm sorry
Can you forgive me
When I say I will always be there
Will you believe
