I was blown away  
What could I say  
It all seemed to make sense.  
You've taken away everything  
That I can't do without.

I try to see the good in life.  
But good things in life are hard to find.  
I'll blow it away, blow it away  
Can we make this something good?

(Well I'll try to do it right this time around)  
Let's start over,  
I'll try to do it right this time around  
It's not over  
Cause a part of me is dead and in the ground.  
This love is killing me  
But you're the only one  
It's not over.

I've taken all I can take  
And I cannot wait  
We've wasted too much time  
Being strong and holding on  
Can't let it bring us down

My life with you means everything  
So I won't give up that easily  
I'll blow it away, blow it away  
Can we make this something good?

Cause it's all misunderstood

(Well I'll try to do it right this time around)  
Let's start over,  
I'll try to do it right this time around  
It's not over  
Cause a part of me is dead and in the ground.  
This love is killing me  
But you're the only one  
It's not over.

We can't let this get away  
Let it out, let it out  
Don't get caught up in yourself  
Let it out.

Let's start over  
We'll try to do it right this time around  
It's not over  
Cause a part of me is dead and in the ground.  
This love is killing me  
But you're the only one  
It's not over.

Lets start over  
It's not over

Yeah yeah  
This love is killing me  
But you're the only one  
It's not over
