I'm gonna be here for you baby
I'll be a man of my own word
Speak the language in a voice that you have never
heard

I wanna honor your mother
And I wanna learn from your pa
I wanna steal your attention like a bad outlaw

(Chorus:)
And I'm gonna love you like nobody loves you
And I'll earn your trust making memories of us

We'll follow the rainbow
Wherever the four winds blow
And there'll be a new day
Comin' your way

And I'll win your trust makin memories of us
