How the time passed away, all the trouble that we gave  
And all those days we spent out by the lake  
Has it all gone to waste? All the promises we made  
One by one they vanish just the same

Of all the things I still remember  
Summer's never looked the same  
The years go by and time just seems to fly  
But the memories remain  
In the middle of September we'd still play out in the  
rain  
Nothing to lose but everything to gain  
Reflecting now on how things could've been  
It was worth it in the end

Now it all seems so clear, there's nothing left to fear  
So we made our way by finding what was real  
Now the days are so long that summer's moving on  
We reach for something that's already gone, yeah

Of all the things I still remember  
Summer's never looked the same  
The years go by and time just seems to fly  
But the memories remain

In the middle of September we'd still play out in the  
rain  
Nothing to lose but everything to gain  
Reflecting now on how things could've been  
It was worth it in the end

We knew we had to leave this town  
But we never knew when and we never knew how  
We would end up here the way we are  
Yeah, we knew we had to leave this town  
But we never knew when and we never knew how

Of all the things I still remember  
Summer's never looked the same  
The years go by and time just seems to fly  
But the memories remain  
In the middle of September we'd still play out in the

rain  
Nothing to lose but everything to gain  
Reflecting now on how things could've been  
It was worth it in the end
