I believe, I'm gonna catch the next line
I believe, I'm gonna catch the next line
And your town ain't for me
I'll come back sometime

Might take a plane
And train a bus
Car, bus, I got no fuss
Oh, gonna catch the next line
This town ain't for me
I'll come back some time

Some other time! Some other time!
Some other time! Some other time!
I believe, I'm gonna catch the next line

Come back! Some time
I believe next line back
Don't lie, yes I will
But I'm gonna pack it up and go

Some other time! Some other time!
Some other time! Some other time!
I believe, I'm gonna catch the next line

Gonna catch the next line
I'm gonna catch the next line
I'm gonna catch the next line
Oh, I'm gonna catch the next line
I'm gonna catch the next line
I'm gonna catch it
