Thrill is gone  
Oh, the thrill is gone  
Thrill is gone, all gone today

Lord, you know I'll go away  
And you'll be sorry someday

Free at last  
Oh, I'm free at last  
From that spell  
Oh, I'm free from your spell  
Lord, I know you wish me bad  
And I wish you well

Thrill is gone  
Oh, the thrill is gone  
Thrill is gone, all gone today  
Thrill is gone, Thrill is gone  
Thrill is gone, all gone away

Lord, you know I'll leave  
And you'll be sorry someday

Thrill is gone  
Oh, the thrill is gone  
Thrill is gone, all gone today  
Thrill is gone, oh it's gone today  
Thrill is gone, all gone today  
Lord, you know I will leave  
And you'll be sorry someday

Oh, I'm gonna go right now  
Don't wanna leave you  
I gotta go sometime now  
Oh, oh gone  
Good God almighty
