Audrey Hepburn's twin  
Dance with me again in summertime  
Kiss me 'til it hurts  
Try to make it work  
But you'll be mine some other time  
Yeh, you'll be mine

I wanna be your soulmate  
I wanna be the song stuck in your head  
Glitter in your eyes  
Like stars stuck to sky  
Yeh, you were mine in summertime  
Yeh, you were mine

Don't stare me like that  
Don't stare me like that  
Don't stare me like that  
Little girl

Don't make me wanna touch you right now  
'Cause you know that I'm not yours  
And how your blackened curls show  
Your blackened curls show

Audrey, Audrey  
It's summertime  
Teach me how to smile then disappear from sight  
It's summertime  
It's summertime

Don't stare me like that  
Don't stare me like that  
Don't stare me like that

Little girl  
Little girl  
Blackened curls
