I want to be someone else  
A heart upon a shelf  
I need to control my breath  
For fear of breathing water

Everything's unknown  
Everything's unknown

The heart upon your chest  
Says that you're with someone else  
I try to look ahead  
But everything's distorted

And nothing looks the same  
Nothing looks the same

Sooner or later, you're going to remember  
That beautiful surrender

I want to be someone else  
An escape route from myself  
I need to control my breath  
But I'm still breathing water

I'm drowning in my sleep  
I'm drowning in my sleep

Sooner or later, you're going to remember  
That beautiful surrender  
Sooner or later, you're going to remember  
That beautiful surrender to love
