It don't matter to the sun
If you go or if you stay
I know the sun is gonna rise
Shine down on another day
There will still be a tomorrow
Even if you choose to leave
'Cause it don't matter to the sun (oh baby)
It matters to me

It ain't gonna stop the world
If you walk out that door
This old world will just keep on turning 'round (Turning
'round)
Like it did the day before
'Cause see to them it makes no difference (ohh)
It just keeps on keepin' time
'Cause it ain't gonna stop the world (Oh baby)
But it'll be the end of mine

What can I say
What can I do
I'm still in love
So without you...

Mmm mmm mmm, oh yeah, oh yeah
What can I say
What can I do
I'm still in love
So without you

It don't matter the moon
If your not in my life
No the moon will just keep hangin' 'round (hangin'
'round)
Like it's just another night
Find another place to shine on down
On some other lovers dreams
'Cause it don't matter the moon (oh baby)
But is sure do matter to me

No it don't matter to the moon (oh baby)
But it matters to me
