There's no more waiting
Holding out for love
You are my Godsend
That I have been forever dreaming of
My angel from above

Heaven knows
I'm head over heels and it shows
I've played every field I suppose
But there's something about you
When you're around
Baby I have found
I get lost in you

What is this feeling
I've never known before
That I should touch you
Swearing to surrender ever more
That's what I came here for

Heaven knows
I'm head over heels and it shows
I've played every field I suppose
But there's something about you
When you're around
Baby I have found
I get lost in a wonderful daze
Lost in your wonderful ways

Heaven knows

When you're around
Baby I have found
I get lost

Heaven knows
I'm head over heels and it shows
I've played every field I suppose
But there's something about you

When you're around
Baby I have found
I get lost in you
