Take me now
I'm in the photograph that sits beside your bed
I want to be your everything
I want to be your girl

And if I ever dream of you
If I ever dream of you
Would you know?

Take me now
I'm in the envelope that wants to be your prize
I want to be your superstar
I want to be your girl

And if I ever dream of you
If I ever dream of you
Will you call my name and hold my hand
Or leave me as I stand?
The apple in your eye
